

WATER SOFTENERS

Mike Brown of Harner Plumbing has completed the checks of all the water softeners in Park Meadows. At this time, most units are operating properly. Some simple problems were found which prohibited proper operation of a number of softeners, but Mike made appropriate adjustments as needed. Those whose softeners require further adjustment or repair have been notified individually. Mike suggests that we all check our units occasionally to help avoid mal-functions. If you have questions, call Bob Parker.

Resident Checklist for Water Softeners:

- Be sure bypass valves are **not** left open.
- Be sure the salt dial is not set too low. It should never be less than 10 lbs to ensure proper recharging.
- Be sure your softener's electric plug is firmly inserted in the electrical outlet.

TEA WITH VIVIAN WEEKS

Vivian is running for Mayor of Yellow Springs for a second time. (Last time she received 40% of the vote!) She is endorsed by Women in Leadership. In the next few weeks, Park Meadows residents will be receiving an invitation to "tea" at Vivian's to provide an opportunity to:

- get better acquainted with Vivian (and see her "delayed" open house)
- discuss her platform (questions and comments are welcome)
- share concerns and ideas regarding the Mayor's Office and Mayor's Court

BUCK LACKEY STAINED-GLASS WINDOW

Ask Buck Lackey (110 PM, x 7194) to show you the new stained-glass window that has been installed in his front door. Buck made it himself and it is quite handsome. Irvin Inman says "it is most interesting with the light shining through it looking at it from inside."

NEIGHBORLY GET-TOGETHER

If you have **ideas** regarding our next neighborly get-together in this wonderful Fall weather, contact Jane Brown (x7802), Mary McCoy (x7776), or Sue Parker (x 9146).

If we don't see you before, look for your neighbors at the Street Fair on Saturday, October 11th!

NEWSLETTER DEADLINE

If you have information for the *PM Notes*, please give it to Cinda Mize (160 PM, 767-2085) by the **21st** of each month.

PARK MEADOWS ASSOCIATION
