NEW ROOFS!!!

The roofing contracts are signed and the contractor wants to start re-roofing on June 1st, or the first week in June. The “order” for new roof applications will be:

- 1.) 120/130/140
- 2.) 105/115
- 3.) 210/220/230
- 4.) 265/275/285
- 5.) 250/260
- 6.) 150/160

The contractor says each roof will take three days to complete—weather permitting. **Be aware of potential parking problems as the workers and trucks drive in and out of the area.** Any questions, or concerns? Call a trustee.

Other PMA News and Reminders

- **AC Service Maintenance**, scheduled to date, for the next three months are:
Wednesday, June 20th—salt levels checked, furnace filters and water softener filters changed
Wednesday, August 15th—salt levels checked and furnace filters changed.
Also, during June, the good people at AC Service will be helping to keep us cool this summer by doing their “**Spring Seasonal Check Up**” of our unit air conditioners, thermostats, refrigerant pressure and safety controls.
