**PM “Block Party”:** The Park Meadows “block party” will be this Saturday, September 15 from 5 to 7 pm. Bring a chair, a dish to share, and eating utensils (for yourself) to the parking area of the first lane’s west end. We look forward to the get-together and thank Elaine Jelly for getting the party rolling.

**Exterior Repairs:** On Monday, September 17, exterior repair work is scheduled to begin on the 200’s. (The 100’s are scheduled to be done in 2019.) Work will begin on units #205 & #215, followed by units #270 and #280. Other units in the 200’s will follow. Nick Burkland will be doing the work.

**Roof Replacements:** Roof replacement for units #205-#215 and #270-#280 is scheduled to begin September 24. These are the only roofs being replaced this year. Double T Roofing will be doing the roof replacements.

**New Phone List:** A new phone list will be sent to you. Please check information for your entry and contact the Trustees if you find an error.

**Circle Security Light:** The light on the circle has been replaced after many months of waiting. Our periodic reminders to the village finally paid off.

**Gutters and Downspouts:** Gutters and downspouts will be cleaned in late October/early November when the leaves have fallen.
